Descriptive notes:
"ZENITH" 595 is the result of over 80 years of Balma, Capoduri's experience in manufacturing staplers. "ZENITH" 595 combines qualities of great strength, unique lightness and incredible effortless usage for handy and easy use by everyone, particularly for works of a certain care such as stapling cardboard, thincards etc.

Quality: to maintain high quality standard guaranteed by all "ZENITH" products, each plier stapler is tested piece by piece. *Life-Guarantee for manufacturing defects.*

In addition: it is easy to use because of the top loading system, where you simply pull-up the cap; unique in its kind, "ZENITH" 595 can staple indifferently with four staple types: 24/6 - 24/8 (loading capacity of 200 staples), 26/6 - 26/8 (loading capacity of 250 staples). It is even more effortless when using 26/6 and 26/8 staples.
