- **Weight:** 90 g (net) / 147,50 g (gross)
- **N° of items per carton:** 36 (packets of 3 pieces)
- **Carton dimensions:** cm 57 x 32 x 23 h (AxBxC)
- **Carton weight:** 6,50 Kg.
- **Barcode:** 8009613654008
- **Carton barcode:** 8009613654367

### How to use and warnings:

Do not burn candle on or near anything delicate.

### Safety Information:

### Descriptive notes:

"Coccoina" is now also an almond scented candle, with the same unmistakable fragrance that has always characterized "Coccoina" glues, in the same iconic aluminum tin of the famous adhesive paste (90 g content).

Made in Italy, like all "Coccoina" products, it has an excellent quality for all its components (wax and wick), with a burning duration of approximately 16 hours.

The packaging is also particularly refined, with a blue background label which almost faithfully recalls the one of the glue tin, while the cardboard package, containing one tin, best presents the contents with nice, linear and appealing graphics.
